Commissioner for Patents

The each of the references listed on the Information Disclosure Statement filed on November 24, 2006 has been considered. Applicant has included the month of publication for each of the references, except reference AAAA, in accordance with MPEP 609.04(a). Reference AAAA has been considered, however, because applicant attached remarks including a statement that the year of publication is sufficiently earlier than the effective U.S. filing date (there is no foreign priority date) so that the particular month of publication is not in issue. Note MPEP 609.04(a). A copy of the IDS, initialed and signed by the examiner, is attached hereto.
